

2019 YOUNG CIVIL ENGINEER OF THE YEAR

Jefferson Argyros, P.E.

Arcadis

[Jeff] has provided exemplary engineering service for Arcadis since he was hired in 2013.

–Thomas Harwig, Senior Vice President Arcadis

I admire his eagerness to lead and take on tasks, and his dedication to his job and ASCE. His efforts to promote the civil engineering profession are easily observed through his donation of personal time through ASCE involvement.

– Lauren Dziagwa, ASCE YMF Past-President
